 City, State, Zip: _____

Cancer Awareness Bracelet: \$25.00

Our unique design is handcrafted with love by our own team members. These bracelets are made with Swarovski crystal beads in pink and clear, pearls, a sterling silver "Hope" bead, and an awareness ribbon charm.

A caring gift to mark a milestone in treatments, years of survival, or as a tribute to those who have battled cancer.

Team Pin: \$5.00

The team logo in a purple and gold pin!

When we travel to races - collecting and trading pins has been a great way to meet members of other dragon boating teams! Hats and jackets are adorned with the pins in quite distinctive fashions!

Team Hat: \$10.00

Our embroidered pink hats have been made for us by the New Era Cap Company. A family owned local company that is also known as America's leading manufacturer of Major League team caps! They make a great gift for any occasion!
